

Fall Factors: Do They Apply to Rope Rescue and Rope Access?

About the Presenter

Jim Kovach is a retired firefighter who has been presenting at the North American Technical Rescue Symposium or the International Technical Rescue Symposium since 1996.

In 2005 he formed a company ***ALL ABOUT ROPE, INC.*** to pursue research and testing on rope, rope equipment and rope techniques. ***ALL ABOUT ROPE*** will test rescue gear and equipment for free with the understanding we can use the data acquired to inform other rescuers through our seminars and lectures.

Jim can be reached at jkovach@allaboutrope.com
